

Instructions:

1. Cut out desired template with scissors.
2. Put template on the piece of clay you wish to fill your blank with.
3. Cut around the template with a blade.
4. Place clay piece into jewelry blank to ensure a good fit.
5. Bake clay in blank according to directions on package.
6. Remove from oven and let cool. Pop out the clay piece and add fast setting glue to the finding. Replace the clay piece and allow glue to dry.
(Step 6 does not apply to the cuff bracelet.)
