## Ashford Guarantee

Thank you for purchasing this Ashford product. In the unlikely event there is any fault in manufacture, please contact the dealer you purchased it from. To validate the guarantee, please go to www.ashford.co.nz/product-registration

Note the tapered leg fits snuggly into the tapered rebate in the foot. Repeat for the other side. Store the 2 extender rails and  $32\text{mm} (1 \frac{1}{4})$  bolts and barrel nuts for future use with either a 50cm (20") or 70cm (28") Knitters Loom. Proceed to Step 2.

Knitters Loom 50cm (20") or 70cm (28")
Secure the footrest to both extender rails using the appropriate holes with 32mm (1 1/4") bolts and barrel nuts.

**2.** Attach this footrest assembly to one leg and one foot as illustrated with 50mm (2") bolts and barrel nuts and lightly

tighten with the Hex Key. Note the tapered leg fits snuggly into the tapered rebate in the foot. Repeat for the other side.

**3.** Loosen the side knobs on your knitters loom. Then locate the loom and bolts into the slots in the metal brackets keeping the washers between the bracket and the knob.

**4.** Note the support braces are left and right. Check they are on the correct side and then attach them to the legs with 45mm (1 <sup>3</sup>/<sub>4</sub>") bolts washers and knobs.

**5.** Sit at the loom and adjust the angle of the loom and footrest to

suit. Raise the support braces under the front cross rail and tighten all knobs and bolts.

**6.** Store the Hex Key in the hole in the footrest so you can retighten the bolts later if required.

Enjoy weaving on your Knitters Loom!
